My Look at the Sick, Sad World of Puppy Mills (Video)

For several weeks I've been working on an investigative story focused on puppy mills. What I discovered was appalling and sad. My exclusive story for KTLA revealed sick dogs, and dogs living in cages just large enough to turn around in. While the video is disturbing to watch, the information could save thousands of animals. Plus, what happened on set at the end of my story was a *first* for me as a journalist. Talk about getting nervous for the camera!
